

**ISPRS WG IV/5**  
**1<sup>st</sup> International Workshop on Pervasive Web Mapping,  
Geoprocessing and Services (WebMGS 2010)**  
**August 26-27, 2010, Como, Italy**

## **Poster Presentation Instructions**

Information is given below about the arrangements for poster presentations for WebMGS 2010.

1. You can either bring your poster with you (preferred) or courier/post it to us before the meeting (in this case we cannot provide any arrival guarantee).
2. If you choose to courier/s the poster, please contact us in order to arrange the shipment.
3. Your poster should be no bigger than A0 size, portrait or landscape (both will fit). The dimensions of the A0 are 841 × 1189 mm.
4. The poster session is planned to take place on Friday 27<sup>th</sup> August in the area of "Aula Magna 2 - AM2" (at the entrance of the conference site).
5. You will be allowed to fix your poster from 9.00 on Friday 27<sup>th</sup>. You must remove your poster by 17.00 on Friday 27<sup>th</sup>. Any remaining poster will be discarded.
6. To pin up your poster, drawing pins will be available in the poster area.
7. Posters will be orally presented in a short session on Friday 27<sup>th</sup> from 10.45 to 12.00 (maximum 3 slides for each poster). Each presentation lasts 3 minutes and no seat for questions is timetabled.
8. It will be necessary to upload your short presentation before the poster session. In the conference room there is a dedicated PC and an assistant will help you to upload your presentation.
9. File format must be .pdf, .odp, .ppt or .pptx.
10. Please label your file <poster\_surname.odp> (or .pdf, .ppt or .pptx).
11. Please show up at least 10 minutes before the starting time of the poster session and present yourself to the session chairman.

If you have any questions, email: [webmgs2010@como.polimi.it](mailto:webmgs2010@como.polimi.it)
